My only disappointment is that occasionally the pages take a while to load and large black bands appear on the top and bottom. Except for that I would have given it maximum stars. 0 of 0 people found the following review helpful. This is one of the funnier books of Calvin and Hobbes... By Daniel Brady Yet another great book of Calvin and Hobbes, I read these books to my daughter and she loves them. I enjoy reading them to her, they are funny yet respectful and are for ages 4 to adult. My 8 year old has started to read these to me... 0 of 0 people found the following review helpful. Even after eight years, Calvin and Hobbes still entertains By Sophia M. I used to read these books as a kid, and they were a huge part of my childhood. On a whim I recently decided to order one again. The shipping took a while, but the book arrived in perfect condition, without a crease or a crinkle to be found. On reading it now I realize that it's packed with political commentary that went right over my head as a child, but that doesn't distract from the sweet, silly humor of Calvin's six-year-old antics. All in all, Calvin and Hobbes is still a great read, no matter what your age.

Zounds! Spaceman Spiff, Stupendous Man, the ferocious tiger Hobbes, and the rest of Calvin's riotous imagination are all included in The Days Are Just Packed. Calvin, the self-proclaimed "Boy of Destiny," continues to save the universe with his alter egos, Spaceman Spiff and Stupendous Man, at least until Miss Wormwood or his mother bring him back to reality. Susie, Calvin's nemesis and love interest, remains Calvin's favorite target. And when he's not recovering from a ferocious tiger attack, Calvin creates hideous snowmen, plays a moral cat-and-mouse game with Santa, conducts his infamous Dad polls, and combats the monsters under his bed.

Beautifully drawn, with hilarious and often thought-provoking text. * JERSEY EVENING POST * riotous fun. * TIME OUT *About the AuthorBill Watterson is the creator of Calvin and Hobbes, one of the most popular and well-regarded cartoon strips of the twentieth century. Calvin and Hobbes appeared in newspapers from November 1985 until Watterson's retirement in 1995.Online: gocomics.com/calvinandhobbes/
