**From Brand: Tinsel Road Books : THE DIRECTORY of Comic Book and Graphic Novel Publishers - 1st Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised THE DIRECTORY of Comic Book and Graphic Novel Publishers - 1st Edition:

THE DIRECTORY of Comic Book and Graphic Novel Publishers is the essential guide to publishers of the so-called Ninth Art. THE DIRECTORY is an invaluable resource for any entertainment executive looking for comic book or graphic novel properties to develop. THE DIRECTORY is an invaluable tool for any comic book writer, artist or

creator looking to publish their work. Contact information for key executives and descriptions of publishing activities are included as well as highlights of key titles, noting publishers of all age material.

"An essential resource for production and development executives as much as it is for writers and artists." --Victor Constantino, Sr. VP, Production Development, Mayhem Pictures" As a working film and television producer, THE DIRECTORY has proven to be an invaluable tool for both myself and my development team. Anyone who considers themselves an active member of the entertainment community should own a copy." --Charles Segars, Executive Producer and Co-Creator, "National Treasure" and "National Treasure: Book of Secrets"
