**Leonard Maltin : The Disney Films** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Disney Films:

0 of 0 people found the following review helpful. Great for learning about older Disney movies, and forgotten treasuresBy tetsukomonoThis book is a pretty good resource for people interested mostly in the films made during Walt's lifetime. Up until the Happiest Millionaire, which was wide released in 1968 and was one of the last films to have Walt Disney's input, it has in-depth reviews of each cartoon and live action full length film, even including the feature length documentaries like The Living Desert. I found it very useful to help decide which older movies I wanted to add to my collection, and the descriptions and reviews got me interested in some of the movies I hadn't seen before.. This book also has a filmography for the rest of the movies up until The Tigger Movie (in this edition) in 2000, although there are really only reviews of the popular movies like the Lion King, and only in the interstitial sections.1 of 1 people found the following review helpful. A must have for any Disney Movie fanBy ROBERT SCOTTLove

Disney films then this is your book ,found Disney films that I had even forgot about. Today I visited the Walt Disney Family Museum and will go back for more info on the movies.I saw their.0 of 0 people found the following review helpful. Five StarsBy Castle FallsGreat addition for Walt Disney fans.

In the fourth edition of his successful book *The Disney Films*, author Leonard Maltin updates his classic tribute to the genius of the man who brought Mickey Mouse, Snow White, Dumbo, Davy Crockett, Cruella DeVil and Mary Poppins to movie and television screens all over the world. After examining Walt Disney's career from his early days as an entrepreneurial commercial artist up to his triumphant years as the head of an entertainment kingdom, *The Disney Films* presents a fascinating overview of every Disney film, both animated and live-action. Included are plot summaries, production credits, and insightful critical commentaries, as well as interviews with notable Disney staff members.
