The book itself is great, and it has lots of pictures and interesting information in it, but it was not well bound. If I had seen it in a store and flipped through it, I probably wouldn't have bought it just because of the quality of the book binding itself. It feels like the pages are about to fall out!Also, it is very small, like, pocket-sized. I knew that when I ordered it, so it was fine, but if you miss that, you might be disappointed. All in all, the book itself is very good. I just wish it were made better.0 of 0 people found the following review helpful. Five StarsBy Jessica quintanillaA most have for a Disney movie lovers.0 of 0 people found the following review helpful. Very Nice, but too little!By FABIANA BARTOSThe book arrive very late, yesterday. I liked a lot, but I tought it was bigger. But that's ok, it's Disney!

In this gorgeous gift book, seven decades' worth of sensational color posters are collected for the first time. The lush images that characterized these classics are all here, along with history, insight, and the unbeatable bonus of a framable poster in every copy.
