Jeff Bridges, Bernie Glassman : The Dude and the Zen Master before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Dude and the Zen Master:

The New York Times bestseller from Academy award-winning actor Jeff Bridges and Zen leader and author of Bearing Witness, Bernie Glassman. Zen master Bernie Glassman compares Jeff Bridges' iconic role in The Big Lebowski to a Lamed-Vavnik: one of the men in Jewish mysticism who are simple and unassuming, and so good that,

on account of them, God lets the world go on. His buddy Jeff puts it another way. The wonderful thing about the Dude, he says, is that hed always rather hug it out than slug it out. For more than a decade, Academy Awardwinning actor Jeff Bridges and his buddhist teacher, renowned Roshi Bernie Glassman, have been close friends. Inspiring and often hilarious, The Dude and the Zen Master captures their freewheeling dialogue about life, laughter, and the movies with a charm and bonhomie that never fail to enlighten and entertain. Throughout, their remarkable humanism reminds us of the importance of doing good in a difficult world.
