Bill Boyd : The Easy Piano Christmas Collection before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Easy Piano Christmas Collection:

I gave it two stars because it does have a lot of Christmas songs in it, some of them unique, odd, hard to find, etc. However, I only gave it two stars because I find the arrangements to be really off. Mostly because of the super simple style in which it's written, the left hand accompaniment is often odd, or just plain sounds wrong. I am not a beginning pianist, so I have improvised my own fills and noodling to help round out the simplistic sound, but if I follow the chord progressions as written, I find many of the songs sounding awful. For the beginning or intermediate pianist this would be rather unhelpful I would think. I played a gig at a pizzeria bar tonight,

and pulled this book out for the first time in two years. Yep, still awkward to play from. A warning to a more advanced player who may wish to use this music like a fake book. You will be doing more faking than you think. 0 of 0 people found the following review helpful. FantasticBy CustomerIn recent months I've spent a lot of money trying to find Christmas books. They usually are too difficult, too easy, or sound like crap. This fell right in the middle. Easy enough to sight read though some require a little more practice than others. I practice from it everyday, I can't wait until Christmas. 0 of 0 people found the following review helpful. Simple Christmas Songs for the first year piano studentBy Myrna G.I loved the selections in this book. One reviewer said pages fell out on the first use--I will have it bound for use every Christmas. I love the look of the layout and I liked the paper. The songs are in big note style and for a first year student that is perfect. I needed the book for a first recital Christmas party and found most of the songs perfect for appropriateness for a short play at the piano. The songs are not too long, 2 verses are just right for a party. Thanks to another reviewer a list of the songs were provided! I recommend this book as a good buy for years to come.

(Easy Piano Songbook). 59 Christmas songs arranged for easy piano by the inimitable Bill Boyd, including: The Boar's Head Carol * Bring a Torch, Jeannette, Isabella * The Christmas Song * Christmas Time Is Here * Frosty the Snow Man * Hark!
