**Norman Twisted MW : The Elf on the Shelf Must Die!: A Picture Book for Adult Children** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Elf on the Shelf Must Die!: A Picture Book for Adult Children:

Slap the sugary sweet Christmas consumer culture in the face with this offbeat riff on a traditional seasonal children's book. "The Elf on Our Shelf Must Die!" parodies the popular (and creepy) Christmas gift which claims to control children with surveillance and daily reports to Santa. This twenty page, full color illustrated book is a must-have for adults with a slightly twisted sense of humor.

About the AuthorThe award-winning visual artist who created this book is an American parent, humorist and cultural commentator who has painted since early childhood. Working under the name Norman Twisted, he creates offbeat

cultural consumer goods such as books, posters and t-shirts.
