Sixteen years after his sudden death, Elvis Presley is more popular than ever. This first complete and authenticated compendium contains everything there is to know about the King's personal life, presented in riveting detail by David Stanley--Elvis's stepbrother--who lived with Elvis for 17 years at Graceland. 200 photos. Four-color throughout.

.com Almost as good as a round-trip ticket to Graceland! Contains a day-by-day chronology of the King's life; more than 100 first-person anecdotes from his step-brother and oldest friend; more than 300 personal photographs, letters,

and private documents; information on every Elvis movie and recording; bios of the King's 50 closest friends; and an experts-only Elvis quiz. The author, David Stanley, is actually Elvis' brother in a "I'm my own grandpa" kind of way: his mother married Elvis' dad.
