Michael Gebert : The Encyclopedia of Movie Awards before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of Movie Awards:

2 of 2 people found the following review helpful. Gebert's insight and humorous approach makes it a delightBy A CustomerFor those of us who are movie lovers, we know we have found someone else who must be, to the max! I enjoyed the inside scoop on the awards, particularly the politics of the Academy Awards and I find this a great reference book to seek out good movies I may have missed. I loved the wit of his own reviews and wished there was more of his keen insight. Hope there will be another book soon.3 of 3 people found the following review helpful. The only reference book I've ever read cover to cover!By Ann S RishellI loved Gebert's Golden Armchair reviews and the speculation on who should have won! The intrigue and the behind-the-scenes knowledge is invaluable.2 of 2 people found the following review helpful. A must have book for anyone who loves movies.By A CustomerThis is an excellent resource for finding great movies to watch. I especially like the year by year listings of the highest grossing films. I'm hoping an updated version (with pictures) will come out.

Outlines the background of the various film prizes and lists the movies, actors, and others that have won such awards as the Oscars, Golden Globes, Directors Guild of America, the top prizes at the leading film festivals, the Harvard Lampoon and Golden Raspberry awards for bad films, and other priz
