By Carl M. BaumHow lucky we are to find such a great treasure! I am so grateful to Fischer=Dieskau for fulfilling this great need for music lovers everywhere, including me: Now to treasure the great Lieder and being able to know what the German poetry means by the translation to English...I have it all! It is far more than $1 + 1 = 2$The result is countless! It also makes the perfect gift to any music lover, especially someone who loves the Lieder. One of the best purchases I have ever made!
