a gift basket who was recovering surgery. Of all the things in the basket, he raved most about this book. Lots of fun trivia that he had fun sharing with his visitors. 1 of 2 people found the following review helpful. A Quick Fun Fact-Finder By Dr. Ellen K. Rudolph This is a quick fact-finder about the state of Florida. Use to look things up, then explore further with your iPad. A great little resource. 1 of 2 people found the following review helpful. Excellent Educational tool By mashumashu This book is a wonderful collection of information that can be incorporated into a classroom in all subjects or just as a fun resource in the home!!!!

Do you know: - How many acres of Florida's remaining natural areas have become infested with non-native plant species? - Where is Estero Bay? - What is the penalty for violating federal manatee protection laws? - What river disappears underground in O'Leno State Park and re-emerges above ground in River Rise State Park?

From the Author While teaching school, I observed that students try to goof-off during the last ten minutes of class. I was determined to keep students engaged in a learning activity until the bell rang. I tried asking them questions about their lessons, and they loved it! So I wrote The Florida Quiz Book. About the Author Hollee Temple has lived in New Zealand, Guatemala, and all four corners of the U.S. South Florida is now her home. She has worked as a computer programmer and a teacher. This is her first book.
