Philip Bate : The Flute (Instruments of Orchestra) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Flute (Instruments of Orchestra):

0 of 0 people found the following review helpful. Well written classicBy Mak NicholsNow a classic, I bought it to replace one I lent out and never got back. Lots of info on history (granted mostly medieval until 1970s, and most on the big development period in the 1800s), acoustics, and a bit on playing and orchestrating for. Helps to be familiar with flutes, but an interested person can get past the places where you need that familiar information.
