Hooray! It has edits and the believed 'original' notes in the back, and directions and such on the page, etc etc. 15 of 16 people found the following review helpful. The best available score of "The Four Seasons" By A Customer This is no doubt the best music score Dover

Publications (which generally publishes high quality reprints of older editions) has ever put out. Not only is the score of this set of Vivaldi's Op. 8 concertos--consisting of the "Four Seasons" and eight other works--freshly edited from a computer database version of the 1725 first edition by Dr. Eleanor Selfridge-Field, but it is beautifully typeset and contains ample "Critical Notes" and variant passages. And the price is an outright steal! Every lover of Vivaldi owes it to himself or herself to get this magnificent score.

By Marcel VanDalfsen  
This is a very good musical score of Vivaldi's Four Seasons and the rest of opus 8. My only disappointment was that the harpsichord (continuo) was not scored (which would have been extremely useful in 'Autumn' or 'Storm at Sea').
