**Ellen F. Feld : The Further Adventures of Blackjack: The Champion Morgan Horse by Ellen F. Feld (2012-09-03)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Further Adventures of Blackjack: The Champion Morgan Horse by Ellen F. Feld (2012-09-03):

1 of 1 people found the following review helpful. Daughters favorite books!By D. H. WarnerI met the author when my oldest daughter was just about to turn 8 so I bought a couple of books in the Blackjack series as part of her present despite Ellen Feld telling me that they were for 4th or 5th graders. The books pretty much sat on the shelf for a year and a half. When she was ready to read them she didn't stop until I bought all 7-8 books in the series and she read them all several times and continues read them. For further point of reference she went from The Diary of a Wimpy Kid books to these books. Overall I highly recommend these books for your child of the right reading ability.0 of 0 people found the following review helpful. Still a good read when you don't want to think about much ...By CustomerObviously meant for teens, still, the writing and/or editing could use improvement.Still a good read when you don't want to think about much except horses and your younger day dreams.0 of 0 people found the following

review helpful. The Further Adventures of BlackjackBy BannerAnother excellent book by this author.
