From Pergamon chess : The Games of Tigran Petrosian: Vol. 2 1966-1983 (Pergamon Russian Chess Series)

before purchasing it in order to gage whether or not it would be worth my time, and all praised The Games of Tigran Petrosian: Vol. 2 1966-1983 (Pergamon Russian Chess Series):

I understand the process to put the books into a Kindle version is not free either.But it would be wonderful if could get these long out of print books for sale today. How hard would it be for a deal to be cut for Elsevier (current copyright holder after they acquired Pergamon Press)?2 of 3 people found the following review helpful. Exceptional series....Needs to be reprintedBy turandotaThis set is an incredible find for anyone looking for information on Tigran Petrosian. I snapped up a set here on and the money was well spent. It's too bad that Pergamon Chess doesn't reprint this series, because anybody studying chess needs to study Petrosian's games, sooner or later. Both volumes combined have over 2100 games.

The 2nd of two volumes devoted to the chess career of former world champion Petrosian; over 1000 games featured.
