**Merilyn Simonds Mohr : The Games Treasury: More Than 300 Indoor and Outdoor Favorites With Strategies, Rules and Traditions** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Games Treasury: More Than 300 Indoor and Outdoor Favorites With Strategies, Rules and Traditions:

0 of 0 people found the following review helpful. Great ideas. This will be used with a church ...By ABVery extensive. Great ideas. This will be used with a church youth group.

In this convenient, fully illustrated book, the author brings together all the instructions, tactics and strategies for every family's favourite games. Much more than a compilation of instructions, Mohr's lively, readable text captures the rich lore and history behind many of the games that have woven themselves into our culture. Elementary rules for chess, gin rummy and bridge are included as well as different variations for draughts, tag, poker, solitaire and the rules of darts, bowls and bridge.
