10 of 10 people found the following review helpful. Cheaper on .co.uk By Elsinore First and foremost, on .com, a used copy of this book sells for around

\$40 and a new copy is around \$50 if you include shipping. Don't be ripped off by these sellers. If you go to .co.uk, you can purchase a new copy of the book for around \$17 with the shipping included. Anyhow, this is a great book, I haven't completed all the puzzles yet. I'm still at the starter puzzle section. When I want to train my mind, I work on the puzzles. Otherwise I share some questions with friends for a fun challenging discussion. It is great when one person figures it out while everyone else is still struggling. Finished first part of the competition puzzle. Hopefully I'll finish the second part. Sorry new to this review thing, mainly just wanted to let people know that you can buy the book for a much fairer price.
