**Radio Spirits : The Genius of Orson Welles** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Genius of Orson Welles:

3 of 3 people found the following review helpful. Welles' Genius Shines Through By A Customer Orson Welles was a genius, and this marvelous collection (which is really just a sampling) of his radio work demonstrates just that. Not only is the listener treated to Welles' treatment of a variety of genres, but the listener is also given the chance to hear Welles' wide-ranging vocal abilities. The only minor complaint I would have is the lack of an inclusion of Welles' classic British radio programs, *The Third Man* and *The Black Museum*. Nevertheless, this is a valuable collection filled with rare vintage material.

Sixteen glorious radio programs featuring Orson Welles. *The Cavalcade of America The Great Man Votes* 12-15-41 *The Cavalcade of America Thunder from the Mountains* 09-28-42 *Information Please* 09-18-42 *The Jack Benny Program* 03-14-43 / 03-21-43 / 03-28-43 / 04-04-43 *The Rudy Vallee Program* 12-19-40 *The Mercury Theatre on the Air Abraham Lincoln* 08-15-38 *Orson Welles Almanac* 09-29-41 / 10-13-42 / 03-08-44 *The Gulf Screen Guild Theatre Between Americans* 12-07-41 *Suspense The Most Dangerous Game* 09-23-43 *Suspense The Dark Tower* 05-04-44 *War Bond Show Broadcast from Soldier Field, Chicago* 06-19-44
