Not so EASY as most of the pieces have 5 or 6 sharps! Great selection of songs, well done but I found most too difficult to play

Easy does not accurately describe the arrangements in this collection. This book would be ideal for an intermediate musician/hobbyist, but not a beginner. Call me crazy, but when I search for "easy" piano music, I think of something that not necessarily a brand new musician could play, but something that a young person with a few months of lessons could play.

I would definitely say this book is not for beginners. I have been playing 6 months and still cannot play these songs. Really bummed!
