I must use a clip or two.7 of 7 people found the following review helpful. Five StarsBy Nate

HarrellGreat for beginners. I haven't played the piano in many years and this music was easy to read.1 of 1 people found the following review helpful. Solid piano book with broad selection of songsBy donnaVery easy arrangements, and who wants seasonal music to be difficult? My favorites are all included, and every song I've tried (only about 6, as we haven't even done Halloween yet) sounds good, despite the easy arrangements. And experienced players can always embellish. I never played Christmas music before, but I will now. The chords are noted, too.

This massive songbook includes 60 favorite Christmas carols, arranged for easy piano by Dan Coates.
