I must use a clip or two.7 of 7 people found the following review helpful. Five StarsBy Nate

HarrellGreat for beginners. I haven't played the piano in many years and this music was easy to read.1 of 1 people found the following review helpful. Solid piano book with broad selection of songsBy donnaVery easy arrangements, and who wants seasonal music to be difficult? My favorites are all included, and every song I've tried (only about 6, as we haven't even done Halloween yet) sounds good, despite the easy arrangements. And experienced players can always embellish. I never played Christmas music before, but I will now. The chords are noted, too.

This easy piano collection features the most popular country songs of today. It includes famous songs in a variety of styles---from ballads to up-tempo rockers. Lyrics and basic chord symbols are included along with helpful fingering and phrasing indications. Each arrangement is fun and easy to play, and great for solo performance or sing-alongs.
