I use with midi background and most are in same or almost same key. Great for basic arrangements to add your own touch to. I highly recommend this book for purchase.0 of 0 people found the following review helpful. Wonderful compilation of many favorites from the Great American SongbookBy analogmanWonderful compilation of many favorites from the Great American Songbook. Will enjoy learning to play these tunes for years to come. Arrived in new condition. As others have noted, the binding is a drawback, but a minor

one as I'm sure spiral or comb binding would have raised the cost significantly for a book of this size. Am quite pleased with this purchase. 1 of 1 people found the following review helpful. Dan Coates arrangements sound great. By Kindle Customer Great arrangements with chords and fingerings.
