Sir James G. Frazer : The Golden Bough: A Study in Magic and Religion (Imperial Edition, one volume, abridged) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Golden Bough: A Study in Magic and Religion (Imperial Edition, one volume, abridged):

0 of 1 people found the following review helpful. More Than you want to know.By Bartleby (scrivner)Boring and out of date. However excellent scholarship but way too much for ordinary reader.0 of 2 people found the following review helpful. outstanding shipper in floridaBy twlvbearthe product itself is what it is.i was already quite familiar with the work. this new order is a replacement of a misplaced older volume.as for the shipper, they were awesome! so expeditious, that the order arrived from florida to hawaii before the outlined delivery window! the order was also well packed in double protective layering and in exquisite condition.0 of 2 people found the following review helpful. ... go missing many years ago and was able to easily replace it when needing to do some research for ...By Darby McCarthyHad a copy of this very important reference book go missing many years ago and was able to easily replace it when needing to do some research for a new book easily and quickly on . Had it in hand in 2 days!

8.5" * 5.6". Cloth hardcover.
