Spike Milligan, Larry Stephens : The Goon Show: Volume 18: The Goons And More Guests (Vol 18) before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Goon Show: Volume 18: The Goons And More Guests (Vol 18)*:

Goon but not forgotten. From 1951 to 1960, the Goons ruled the airwaves, the most celebrated and influential clowns in the history of radio. Go on take a world tour with Neddie Co as they get captured on military inaction in Africa and forced to swim the ice-cold Kupatee (there's nothing worse than a cold Kupatee); play tiddlywinks at the Palace (will this lead to a knighthood, Ned?); bombard the Russians in Crimea with a mighty cannon (and some terrible jokes); and don their kilts for a wee bit of Scottish bridge building. So savor four more classic capers from the wider wireless realms of those well traveled Goonatics Peter Sellers, Spike Milligan, and Harry Secombe, with guests Cecile Cheveau, John Snagge, George Chisholm, and Valentine Dyll. They're the toast of Mymushlike. What's Mymushlike? The back of a bus. 2 CDs. 2 hrs.
