Great Book By Jeannie Tomasino I recently gave this book as a gift and the receiver was quite pleased...in fact, my brother-in-law spent a great deal of time each day working the puzzles as it was so enjoyable...since I was visiting I had first hand experience that week to see him pick up the book and go at

it for an hour here and an hour there, while I did my own puzzle book.....he is a whiz with these kinds of puzzles, yet he found this one to be quite challenging...sure gives hours of fun and can still tax the brain....0 of 0 people found the following review helpful. A Mind Building Book!By NitaLove this book. It is challenging, but not too difficult. It keeps my mind in working order and happy. A great pastime, yet definitely not a waste of time. Try it; you'll like it.2 of 2 people found the following review helpful. Three StarsBy njkwish they gave some room to solve the puzzles on the page.
