Peter Eldin : The Great Box of Magic before purchasing it in order to gage whether or not it would be worth my time, and all praised The Great Box of Magic:

0 of 0 people found the following review helpful. False advertisement By Joe Russian The Product Description and picture were false. I did not receive the Great BOX of Magic, which was supposed to include a hardcover book, wand, vase ball, Dice, Deck of cards, a magic coin box, a floating match card and instructions. I only received a paperback book entitled: The Great BOOK of Magic. 0 of 0 people found the following review helpful. Three Stars By J. A. Hart This was too over the head of my 6-8 year olds 0 of 0 people found the following review helpful. Three Stars By Customer the magic card is hard to bend otherwise its ok
