**Modeste Mussorgsky : The Great Gate of Kiev - HB Score (Handbell Sheet Music, Handbell 4-6 octaves)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Great Gate of Kiev - HB Score (Handbell Sheet Music, Handbell 4-6 octaves):

A familiar concert piece, loved by all, is masterfully transcribed for 4-6octaves of handbells with optional choir chimes. It is effective as a solo number for handbells and is stunning with the addition of the optional Brass and Percussion. A perfect way to introduce and orchestrate a piano classic to your ringers. Great for festivals! / Handbell Sheet Music / Handbell 4-6 octaves
