If one want to relax for a few minutes these puzzles are perfect. For the small number of dots contained within the puzzles, the final pictures are pretty amazing. I have three and will be ordering the rest of the series. Perfect time break-time puzzles. One can do two or three in just a few minutes. It 's never difficult to tell what the object is supposed to be, as it is with some puzzles of this type.2 of 2 people found the following review helpful. Missing Pages But Otherwise Fun To Do!!By KimThis is great to keep in a purse or bag and do while waiting at the doctor's office or some other place. I did notice that the pages were not printed correctly in my book. I have about 12 pages repeated so I didn't end up with as many puzzles as I was supposed to.2 of 2 people found the following review helpful. Helps MemoryBy MiwinteeI got this for my husband as he is having memory issues and this has helped him to concentrate more...

Featuring connect-the-dot puzzles from syndicated newspaper columns, this book packs a big punch with pocket-sized but intricate designs for readers to decipher. In addition to traditional connect-the-dots, you'll find unique innovations such as connecting odd/even numbers and other multiple line variations. Each final image is a small treasure... beautifully drawn and charming. A wide variety of subject matter further adds to the final surprise. From the

publishers of The Greatest Dot-to-Dot Books in the World series. Great for gifts and travel! Ages 8 to adult.
