Eliazabeth Wyse : The Guinness Book of Records: 1998 Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Guinness Book of Records: 1998 Edition:

This edition features 1000 more records than the 1997 release. The book features a new "Taking It To The Limit" section, which covers epic journeys including new balloon, ocean survival and Antarctica records, a new "Money" section, with features on private wealth and most valuable items and a "Media" section, with spreads on Hollywood stars. An "Environment and Nature" section has spreads on trees and environmental disasters. Complete spreads are

devoted to: "Strange Phenomena", "New Computer Games", "The Internet", "Amazing Gambling Records", and "Wacky Pets".
