Samuel Willard Crompton : The Handy State-by-State Answer Book: Faces, Places, and Famous Dates for All Fifty States (The Handy Answer Book Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Handy State-by-State Answer Book: Faces, Places, and Famous Dates for All Fifty States (The Handy Answer Book Series):

0 of 0 people found the following review helpful. Five StarsBy maryellenWanted the best of the best for my own information I got it!!0 of 0 people found the following review helpful. Five StarsBy Stephen HoeltgeThis is a great book and a great series.

How did colonies, territories, and land purchases shape the United States of America? What differencesand

similarities are there between the states? What does each state bring to the union? From sea to shining sea, *The Handy State-by-State Answer Book: Faces, Places, and Famous Dates for All Fifty States*

answers questions about each state's signs and symbols, size, weather, unique characteristics, people, events, and history, settlement, and colonization, as well as providing information on its nickname, capital, and date of statehood. *ProtoView Book News* This accessible book covers interesting trivia for each state. Information includes the state's early history, settlement details, and contemporary history. What sets this apart from a typical state-facts resource is the browsable nature of the QA format ... *Booklist* Rather than just dry facts and mundane historical information, the author includes questions to pique the reader's interest. Consider this an important addition that should be added to libraries as a source for credible information, but also suggested for readers that have an interest in our country's structure by state. *VOYA*... builds an appreciation for how all fifty states are alike while pointing out how each is different and how the differences enrich us as a nation. *Children's Literature*... the perfect book to browse ... *Bookworm Sez*
