It has a lot of the stuff that wasn't shown on TV and also some additional details on the stuff that was shown, plus some pictures of the girls and their boyfriends. The Valentine's Day

chapters were one of my favorite parts in the book, it was fun reading what the girls were up to. Who would've thought Shannon (Leto, Audrina's date) was such a romantic guy. 3 of 4 people found the following review helpful. Great Book! By J*Crochet I thought this was a great book. I read it in 1 day which is pretty hard for me to do. I liked how it was little short stories about the individual people and things. I think that is what kept me so interested in the book and in a results me finishing it so fast. Now I only wish they would come out with a updated book. 3 of 3 people found the following review helpful. good, fun read By Customer For anyone who is fan of The Hills, or of LC and the girls. I learned some interesting tid bits and backstories, even shopping tips! As one might expect, this is an easy read, just light-hearted fun.
