Alan Lee, Wu Gang J.R.R. Tolkien : The Hobbit (Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hobbit (Chinese Edition):

Bilbo Baggins is a hobbit who prefers a peaceful life. This book however is an adventure of him with Gandalf the master, and a group of dwarfs. This book has been translated into 64 languages and reached a sold volume of more than 100 million, thus becoming one of the most popular and influential books in the 20th century. Besides, illustrations by Alan Lee, a famous British illustrator, add more charm to this book.
