Jeff Mackintosh : The Horizon Striders (Providence (XID Creative)) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Horizon Striders (Providence (XID Creative)):

This informative source book reveals the wealth of knowledge held by Providence's premier explorers: the Horizon Striders. Learn the secrets of the Striders, and become an elite explorer by surviving the many dangers that exist in

Providence's hazardous terrain. (Game Books)
