**From Hal Leonard : The Hunchback of Notre Dame (Piano/Vocal/Guitar Artist Songbook)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Hunchback of Notre Dame (Piano/Vocal/Guitar Artist Songbook):

2 of 2 people found the following review helpful. Your fingers get a real work out with the selections in this songbook By Page Turners Only The arrangements in this book are excellent, and the composers did not skimp on the

versions that are very true to the movie. My favorite piece to play in the entire book is "God Help the Outcasts." The Bells of Notre Dame arrangement is 16 pages, but sounds awesome. Has a great version of "Someday." Intermediate songs. 0 of 0 people found the following review helpful. So happy to have this. By Ash I find it very frustrating when Disney does an anthology and 'white washes' the songs that make the movie so iconic. This book keeps all the original lyrics and has beautiful stills from the talented animators included. 0 of 0 people found the following review helpful. Great for Sheet Music. HORRIBLE binding. By Mikey Great sheet music--full versions of songs in original keys. Horrible binding. Pages fall out.

(Piano/Vocal/Guitar Songbook). A stunning songbook featuring 10 songs from the movie and full-color artwork throughout. Includes the songs: The Bells of Notre Dame \* Out There \* God Help the Outcasts \* Someday \* and more.

From the Back Cover This book features sheet music from the soundtrack of the Walt Disney Movie 'The Hunchback of Notre Dame.'
