**Susan Greenwood : The Illustrated History of Magic Witchcraft: A study of pagan belief and practice around the world, from the first shamans to modern witches and wizards in 530 evocative images** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Illustrated History of Magic Witchcraft: A study of pagan belief and practice around the world, from the first shamans to modern witches and wizards in 530 evocative images:

4 of 5 people found the following review helpful. Fantastic (or in this case 'Fantastical') book!By Joe M.The book

arrived quickly and was in excellent condition, as stated. The illustrations are outstanding and it covers different magic witchcraft cultures from around the world.

Lavishly illustrated with archival material, fine art illustrations of legendary magic workers, and special photography, this volume is a comprehensive examination of a fascinating and timeless subject.

About the Author Dr Susan Greenwood is an anthropologist with a long-term interest in the study of magic and religion. She gained her doctorate from Goldsmiths College, University of London, for her research on contemporary magicians, and has lectured and written widely on magic, witchcraft and shamanism. Dr Greenwood has also written studies on magic, witchcraft and the otherworld.
