P. G. Wodehouse : The Inimitable Jeeves (Jeeves and Wooster Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Inimitable Jeeves (Jeeves and Wooster Series):

3 of 3 people found the following review helpful. Time spent with Jeeves and Bertie is always fun By Customer These Jeeves and Bertie Wooster stories are a delight. Whenever Bertie gets himself into trouble, Jeeves is always there to straighten things out. From troublesome younger cousins of Bertie's to Bertie's Aunts to forceful young women who want to form Bertie before and after marriage, Jeeves smoothly helps Bertie escape all traps. Jeeves and Bertie may not always agree on haberdashery, but in the end the young master's life returns to tranquility thanks to his faithful butler and valet. Bertie's antics and Jeeves' sang froid can brighten the greyest day. A friend from work introduced me to the works of P.G. Wodehouse several years ago. I have enjoyed them ever since. Once a person discovers what fun there is in reading about Jeeves and Bertie, I recommend moving on to the Blandings Castle and Psmith stories. 3 of 3 people found the following review helpful. How many stars are allowed? By Donald. S. Someone once said that criticising PG Wodehouse was like taking a spade to a soufflé. That about sums it up. People from George Will to Christopher Hitchens love him. 3 of 3 people found the following review helpful. Puts the World Right By Beausun I read Wodehouse when the insomnia takes over each night, usually starting between 2 and 3 am. Usually settles my

mind within 20 minutes or so. Puts the world right as rain, settles the soul, calms the heart, and I can sleep again. Happy times, problems solved. P. S. My next robot will be a Jeeves.

Bertie Wooster is in trouble again as his lovesick pal, Bingo Little, falls in love with every girl he lays eyes on. The real problem starts when Bingo decides to marry one of the girls and he enlists Bertie's help. Luckily for Bertie, Jeeves once again comes to the rescue! With his usual savoir-faire and panache, Jeeves unties the tangles and irons out the creases in his unflappable and inimitable way.

No one can do the milky, imperious voice of a marriage-brokering aunt like Martin Jarvis. What a good egg he is! * The Observer * Wodehouse brightens up the dullest day and lightens the heaviest heart. So give yourself a tonic by listening to this comedy classic. * audiobooksreview.co.uk * Martin Jarvis brings the madcap world of Bertie Wooster and his brilliant valet Jeeves to life with canny comedic timing. * Publishers Weekly * About the Author P. G. Wodehouse: P. G. Wodehouse (1881-1975) was born in Surrey, educated in London, and spent much of his life in Southampton, Long Island, becoming an American citizen in 1955. In a literary career spanning more than seventy years, he published more than ninety books, twenty film scripts, and collaborated on more than thirty plays and musical comedies. Jonathan Cecil's considerable TV and film appearances include *The Rector's Wife*, *Just William*, *Murder Most Horrid*, and *As You Like It*.
