**Neil McKenty : The Inside Story: Journey of a Former Jesuit Priest and Talk Show Host Towards Self-Discovery** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Inside Story: Journey of a Former Jesuit Priest and Talk Show Host Towards Self-Discovery:

A book for anyone on the journey to wholeness. A story of toxic religion, sex and celibacy, drinking and depression, and how they led towards self-discovery and spiritual awakening. "A compelling testimony to our capacity for spiritual transformation in the face of overwhelming odds. McKenty's story is both inspirational and gut-wrenchingly honest. Highly recommended." - Tom Harpur, Syndicated Columnist and Bestselling Author
