Hadley Cantril : The invasion from Mars: A study in the psychology of panic ; with the complete script of the famous Orson Welles broadcast (Researches in the social, cultural and behavioral sciences) before purchasing it in order to gage whether or not it would be worth my time, and all praised The invasion from Mars: A study in the psychology of panic ; with the complete script of the famous Orson Welles broadcast (Researches in the social, cultural and behavioral sciences):

Very fun paperback book of business and marketing. Reprints the script of Orson Wells mars invasion radio broadcast, then discusses how human psychological response can be used in sales and marketing, sad but true stuff in a fun wrapper. Book shows some wear from use, is bright and clean with tight binding.
