I was never very good at pianoBy MamaGirl123I took piano lessons as a young child but stopped, in favor of other instruments, while still in elementary school. While I excelled with other instruments, I was never very good at piano. I struggled to even read the left hand. Now I am 35, and a couple of years ago my husband and I inherited a digital piano. Ever since it arrived I have played daily, some times multiple times per day, and my skills have vastly improved. That said, I'm no expert. I would guess you could put me

somewhere in the intermediate range. Many of Jim Brickman's songs are not too difficult for me to master with practice, and they still sound lovely. There are times when I can't stretch my fingers to reach the range of notes with one hand, but I just play what I can, and it still sounds good. Some pieces are much easier than others as well. I play from this and one of the Christmas piano books. In my entire collection, these two books are my favorites to play from. 1 of 1 people found the following review helpful. Bulky Spine By back-at-you The music in this book is great, but the physical book was not adequately planned for a pianist. It's a fairly thick book but with a typical book spine, so it's almost impossible to keep it open while playing from it without ruining the book. 3 of 3 people found the following review helpful. Beautiful Music By Victoria The Essential Jim Brickman, Vol.4: Faith and Inspiration is a wonderful compilation of songs of faith. It includes songs I remember singing as a child and will now enjoy learning to play on the piano. The arrangements are written at an easy enough level that even the average piano player such as myself can learn relatively quickly. I am looking forward to purchasing the CD as well!!

With a total of 8 million records sold, piano sensation Jim Brickman continues with a volume of songs of faith and inspiration. This collection contains 22 selections, featuring songs from the album Faith (in print for the first time) plus 9 other inspirational tunes.
