The only thing to do is either put in your own 3-hole binder or take to a printer to have spiral binding. Unless Yorktown Press corrects this problem, you'll end up with a collection of loose pages. 0 of 1 people found the following review helpful. great series By Jacquelyn Rose I am an adult, and bought this at the suggestion of my piano teacher...all of the books in this series are great. 2 of 2 people found the following review helpful. Original Keyboard Compositions by Members of the Bach Family By William Bagley There are over 80 pages of compositions by all members of the Bach family. Most of them are by Johann Sebastian Bach, 4 by Wilhelm Friedmann Bach, 10 by Carl Philip Emanuel Bach, 6 by Johann Christoph

Friedrich Bach, 2 by Johann Christian Bach, and 1 by Wilhelm Friedrich Ernst Bach. It has an Aria from the Notebook of Anna Magdalena Bach, the Peasant Dance Schwaebisch, Lamento from a Sonata in G, Variations on a French Song, Come Sweet Death, Sinfonia Three Voice Invention, Allegretto from a Fantasia in C, Minuet in G minor, and Canon from the Goldberg Variations among other compositions. There is a small one paragraph bio on each of the members of the family mentioned above. All in all, a useful collection of compositions for practice and enjoyment. The particular edition that I have seems to have a glue binding that is holding well.

(Yorktown). 46 compositions by members of the Bach family.
