Phillip King, Robert King : The Kings' Tale before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kings' Tale:

0 of 0 people found the following review helpful. Arguably, the best bridge book of all time By John R. Mayne Brilliantly amusing satire and pastiches of famous authors in a bridge setting. The bridge is terrific, and the writing sparkles. If you're familiar with the Mollo series, prepare to see a better version.

This talented father and son team presents 30 scintillating pastiches, in the best tradition of humorous bridge writing.
