This is a fun word find book with a separate puzzle for each chapter of Genesis from chapter 1 through chapter 44. Puzzles are titled with the primary theme for that particular chapter. For example, God Visits Abraham, and Joseph and His Jealous Brothers. There are 44 words to find in each puzzle, with words running horizontally, vertically, and diagonally, and both forwards and backwards. Letters are spaced nicely apart and are printed in easy to read bold font. Solutions can be found in the back. There's a fill-in-the-blank trivia quiz with 20 questions at the back of the book. These puzzles would work great as supplements to a Bible study of Genesis to reinforce information. I found them to be relaxing and enjoyable, and I look forward to other books in this series. 1 of 1 people found the following review helpful. Winner for Mom! By Moonangelrising This was part of a gift basket for Mom; she's been a Sunday School

teacher for at least 50 years, and she loved this! She really loved the "quiz" questions that help her study her Bible, too. 3 of 3 people found the following review helpful. Great book! By wanda blalcok This book was a real hit with me. It kept me up late at night, read it in 24 hours.

Word-Finds are enjoyable games and a fun way to pass the time. Now, it can also be a way to find out more about the bible. Using the King James Version we have constructed a word-find game for every chapter. This volume covers Genesis chapters 1-44. We encourage you to follow along in your own bible as you search for the words that tell the stories from the beginning of time to the return of our King.
