7 of 7 people found the following review helpful. Good for beginners By TxwmnI am an adult learner and have found as I progressed from really basic music to this book along with companion green book. It will keep me busy for awhile since there are varying degrees of difficulty contained within the book.1 of 1 people found the following review helpful. The songs sound pretty full despite their easier format By Mom's musicI am a late intermediate pianist my teacher I use these "Easy Piano Classics" (both the green pink volume) for sight-reading during my lessons. The songs sound pretty full despite their easier format. Enjoyable to play. Glad I have both books.4 of 4 people found the

following review helpful. Met the purposeBy JoniThe purpose of this book was to help me sightread. I wanted easy pieces to practice with but didn't want to buy multiple books for lower grades. This book contains great simplified classics which helps a lot because its the pieces we all know and love.

(Music Sales America). A compendium of over 100 of the world's most beloved masterpieces by the great composers. Contains preludes by Bach, waltzes by Chopin and Strauss, minuets by Mozart and Handel, and themes from symphonies and piano concertos of Schubert, Beethoven, Tchaikovsky, and many more. Spiral bound.
