Richard Walters, Virginia Saya : The Lieder Anthology High Voce Ed. V Saya and R. Walters, The Vocal Library before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lieder Anthology High Voce Ed. V Saya and R. Walters, The Vocal Library:

4 of 4 people found the following review helpful. Leider Anthology By Helena Verne Clean cut, and to the point. The book did not, however, come with the CD, as some editions do. Each song is preceded with the lyrics and poetic translation, and there is a short paragraph on the history of the song. Both composer and poet are listed, as well as the date that the song was written (if known). 0 of 0 people found the following review helpful. Five Stars By John Lynch Good songbook for to start in the German lieder. 0 of 0 people found the following review helpful. Five Stars By

(Vocal Collection). This edition presents 65 diverse songs by major composers of German art song, or lieder, and is the perfect one-volume lieder source for voice students. All the songs are new Vocal Library editions. Historical notes about the relevant history and background of each song are included, as are line-by-line translations for study.
