From Tyndale Entertainment : The Life of Jesus: Dramatic Eyewitness Accounts from the Luke Reports (Radio Theatre) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Life of Jesus: Dramatic Eyewitness Accounts from the Luke Reports (Radio Theatre):

2 of 2 people found the following review helpful. Beautifully Told, A Remarkable Cast, Deeply Moving
By H. M. Hadley
I can't remember ever being so impressed with an audio book before. The production is incredible; you really are there with Luke on his journey and the sound effects are amazing! The story shows Luke as a complex, intelligent, and moral individual in an age of intense conflict, sometimes angry, frightened, discouraged, but always committed to finding the truth. He is truly a dedicated physician, offering to help everyone who needs him, compassionate and wise, but not detached from the people he encounters. This narrative is so involving that at times I couldn't tear myself away from it. I highly recommend this "Life of Jesus" to everyone who is interested in history, faith, and fine story-telling.

By A Little ol' gal from "Jaw-Ja"
This is an excellent Audio Set by Focus On The Family!!! I couldn't stop listening to it - a few times it was past midnight before I could forced myself to turn it off. It brings the Bible to life with the account of the biblical Doctor Luke's amazing adventure and true life story! This is sure to please any listeners no matter what their ages are. On the back it says "for All Ages"... but there are a few rough/intense moments - including when Doctor Luke gets "run through" with a sword or a knife. It is a wonderful set that I highly recomend without any hesitation.

found the following review helpful. Wonderfully Done...By MCGOODIE Whether you are an avid reader of the Bible or not; these stories bring the accounts of Jesus' existence to life in vivid form. It seems as though you are watching a movie because you can just "see" in your mind's eye the events unfolding as they are being told. Great work that I'm sure those who love biblical accounts will find most satisfying. They help one to better understand some of the events that you may have read before but didn't quite grasp the concept of.
