C. S. Lewis : The Lion the Witch and the Wardrobe before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Lion the Witch and the Wardrobe:

1 of 1 people found the following review helpful. The one that started it all! For boys and girls and children of all ages! By William N. Sargent You seen the film, now read the book! One of the few times the film has been as good or nearly so as the source material novel. Of course a book provide to all those in reaching the little details that can't be captured on the silver screen. 1 of 1 people found the following review helpful. A gem...! By Rachel Cairns This is a lovely copy of this book. I am reading it aloud to my son who is in 4th grade this year before bedtime. He is loving it. It is a complete classic. I think I may try and find the next ones in the series in this style with the old fashioned drawings included. I would highly recommend this book as it a real gem. 1 of 1 people found the following review helpful. The First Book in the Narnia Chronicles By Dr. Bell This is the first book Lewis wrote about the magical world of Narnia. It is in an alternate dimension from ours, reachable through an enchanted wardrobe in an old country house. How 4 children discover the world is just the first part of this classic children's adventure. When they all do enter the world they find they are in place where all the creatures who make up our mythology are real and where a witch has cast a spell so that it is always winter but never Christmas. Their coming, though, has been foretold and sets in motion a confrontation between the witch and the rightful King of Narnia, a wise but dangerous lion named Aslan. How he breaks the spell over the land is alternately scary, heartbreaking and rousing.

A simple game of hide-and-seek turns into a thrilling and dangerous adventure for Peter, Susan, Edmund, and Lucy.

Through the wardrobe they enter the mystical land of Narnia, where only the Great Lion, Aslan, can conquer the dark magic of the White witch and restore beauty and peace to the land.

From School Library JournalGr 3-6-This classic tale celebrates its 50th anniversary with a delightful audio rendition. Actor Michael York's reading is a perfect match for this story. The narration is clear and distinct, and York's soft and soothing British accent adds the right touch. Listeners will fall under the spell of this master storyteller as they join Peter, Edmund, Lucy and Susan on their travels. Beginning with Chapter One when Lucy looks into the wardrobe and discovers Narnia and the faun, readers will find that this timeless story can still work the magic that C.S. Lewis intended. In this action packed tale, the four children take part in several adventures as they travel through Narnia on their quest to rid the country of the Witch and her followers. Narnia fans will want to listen to this story over and over again, and new fans will be created as they listen for the first time.-Ginny Harrell, William McGarrah Elementary School, Morrow, GA
