**Hugh Oram : The Little Book of Ballsbridge** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Book of Ballsbridge:

This is a compendium of fascinating, obscure, strange and entertaining facts about one of Dublin's most important

suburbs. Here you will find out about the myth and legend, its architectural heritage and its famous (and occasionally infamous) men and women. Through main thoroughfares and twisting back streets, this book takes the reader on a journey through Ballsbridge and its vibrant past.
