It's great to excersize the mind and its also a fun bonding activity to do with your family that is unwired and easy enough to not cause frustration. Fifty thousand stars for this little book. Would buy again. Great for people struggling with age or memory loss or for anyone just looking for old school stress relief.0 of 0 people found the following review helpful. perfect sizeBy Rita S. TabernLove this little puzzle book, the perfect size to put in my purse and use while waiting for a meal in a restaurant, waiting in a dentist or doctor's office and of course waiting for your car to be fixed. David L. Hoyt's puzzles are amazing and some even less difficult to finish in record time.0 of 0 people found the following review helpful. Difficult puzzlesBy izzoThese puzzles are much harder than I expected them to be. If you are looking for light and fun, this might not be for you, if you are looking for challenging and fun, this is a good option.
