**Nicky Rossiter : The Little Book of County Wexford** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Book of County Wexford:

The Little Book of County Wexford is a compendium of fascinating, obscure, strange, and entertaining facts about

County Wexford. Funny, fast-paced, and fact-packed, here we find out about the most unusual crimes and punishments, eccentric inhabitants, and strange traditions alongside details of its flora and fauna, sporting heritage, and of course its literary traditions. A reliable reference book and a quirky guide, this can be dipped into time and time again to reveal something new about the people, the heritage, and the secrets of this ancient country.

About the Author Nicky Rossiter is a writer and historian. His previously published works include *My Wexford*, *Remembering Wexford*, and *Streets of Wexford*. He is a member of Wexford Historical Society, and regularly broadcasts on South East Radio.
