Quentin Parker : The Little Book of Hangovers before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Book of Hangovers:

From identifying which hangover you have (trust me, there are many types) to discovering which remedies are myths and which can allay the horrors of your hangover, this book is bursting with tests, recipes and cures to help you survive the shakes, sweats and shame.

About the AuthorQuentin Parker works hard and parties harder. He enjoys socializing with friends on weekends but

favors the hangovers a lot less.
